BID # 2014-027

PURCHASE AND INSTALL OF TWO 2 -HP AERATORS WITH LED LIGHTING SYSTEM
AT BUTTERNUT HOLLOW

ADDENDUM NO. 1.

The following additions and/or alterations to the contract documents for the above referenced contract are to be incorporated into all general bids for the proposed work.

Q. I am writing for clarification on page 16 of bid document 2014-027. My question is on how the unit price amount, extension price, and lump sum cost amount is to be written on your bid form. The bid is asking for a unit price for aerating fountains, a qty of 2. The specs show 2 aerating fountains but two different cord lengths so they would not be the same unit price. In what way may I present the amounts costs to be acceptable for review of our bid?

A. The Bid Proposal pages have been revised to reflect "Lump Sum" pricing inclusive of both units. The revised bid proposal page reflecting such is included in this addendum, please see below.
